Good day Sir/Ma'am!

We are students from the Asian Institute of Tourism of the University of the Philippines Diliman. As a requirement for one of our courses, we are to make a promotional plan of an establishment. In line with that we would like to ask your acquiescence in using your establishment as the enterprise that we would be making a promotional plan. Moreover, we would like to conduct an interview with you concerning the specifics of your business.

Your cooperation and consideration will be highly valued.

Cordially yours,
